Project Entity & Terminology Mapping

Recommended professional terminology for the platform

Current Term	Recommended Term	Purpose / Explanation
Internal Admin	Platform Administrator	Manages platform users, client organizations, allocations, configuration, and platform operations.
Internal User	Digital Success Manager	Manages an assigned client portfolio, reviews assessments, works on improvements, and communicates with clients.
Clinic Owner	Clinic Administrator	Primary client-side account responsible for the clinic's digital presence and team access.
Clinic Staff	Clinic Team Member	Client-side team member with controlled access to clinic information and platform features.
Clinic	Client Organization	The business/client entity managed through the platform; currently focused on clinics and doctors.
Doctor	Practitioner	A scalable term for doctors and other healthcare professionals supported by the platform.
Profile Enrichment Agent	Digital Presence Intelligence Agent	Discovers and consolidates a client's online presence and digital profile from available information.
SEO Team	Digital Growth Team	Team responsible for SEO, GBP, local search, AEO/GEO, social presence, and related digital improvements.
Audit Report	Digital Presence Assessment	Combined assessment of the client's website, GBP, local SEO, search readiness, social presence, and related digital factors.
Recommendations	Improvement Opportunities	Specific areas identified for improving the client's digital presence.
Actions / Tasks	Improvement Work Items	Concrete pieces of work that can be assigned and tracked.
Assignments	Portfolio Allocation	Allocation of client organizations to Digital Success Managers.
Prospect	Prospective Client	A business identified and being evaluated or approached before becoming an active client.
Onboarding	Client Activation	The process of moving a prospective client into an active platform relationship.
Clinic Chat	Client Collaboration	Communication between the client and their assigned Digital Success Manager/team.
My Clinics	My Client Portfolio	The collection of client organizations assigned to a Digital Success Manager.
Social Media Audit	Social Presence Insights	Platform-wise social media metrics and observations for the client's digital presence.
